

SMART THINKING. SMART PROJECTS.

PAGE 4 think project! IN USE AT E.ON

The answer to whether a project platform supports quality management is a very clear 'yes'.

Dr Joachim Motz, Head of Multi-Project Management, E.ON Kraftwerke GmbH, Hanover

PAGE 8 NEW PORSCHE-MUSEUM IN STUTTGART-ZUFFENHAUSEN

A project of this kind cannot afford any information redundancy, or the confusion this engenders.

Hannes G. Gugenhan, Head of Central Building Management, Porsche AG

PAGE 12 KIGALI CONVENTION COMPLEX AND BUSINESS & RESORT HOTEL KIVU LAKE IN RWANDA

From the moment we accepted the task of general planner for large projects in Africa, it was clear that our five-person architecture office would have to change.

Carolin Holzheid, International Project Management, Spacial Solutions

PAGE 14 DESIGN AND EXECUTION OF THE PRIME TOWER BUSINESS PREMISES IN ZURICH

In a project like Prime Tower, managing project data in the conventional way, by sending emails and using traditional storage methods on the internal server structure, is inefficient.

Peter Gola, acting Planning Manager at ARGE Prime Tower

PAGE 16 think project! EVENT – THE PROJECT NETWORK: CROSS-COMPANY VALUE CREATION

PAGE 18 MOTORWAY M6/M60 – PUBLIC PRIVATE PARTNERSHIP PROJECT (PPP) IN HUNGARY

Debates about who delivered what – and how late – are a thing of the past, because there is a single, central database for the entire project.

Oliver Kleebach, Technical Divisional Manager for STRABAG AG Infrastructure Development

PAGE 20 PUBLIC PRIVATE PARTNERSHIP (PPP) PROJECT R1 IN SLOVAKIA

The management of a large and complex project such as this is subject to organic change, so demands the support of an adaptable platform.

Martin Pekacek, Project Director, Granvia Construction

PAGE 22 PEDEMONTANA LOMBARDA – A MOTORWAY AT THE FOOT OF THE LOMBARDY MOUNTAINS

From the start, think project! seemed the most appropriate solution for our requirements.

Giuliano Lorenzi, technical director of Autostrada Pedemontana Lombarda S.p.A.

PAGE 23 BLOOD PLASMA FRACTIONATION IN RUSSIA

The concept of an external communication platform won us over.

Volker Saalfeld, Project Manager, Glatt Ingenieurtechnik, Weimar

PAGE 24 TOURISM AND REAL ESTATE PROJECT THE WAVE, MUSCAT IN OMAN

Online collaboration tools are a fundamental requirement in all projects large or small, as they provide an effective and accurate way of communication.

Stuart Ingram, COO of The Wave, Muscat

PAGE 28 CANADIAN THEME WORLD YUKON BAY IS TAKING SHAPE AT THE HANOVER ADVENTURE ZOO

With think project!, we have a reliable platform that helps us to effectively manage and archive the huge volume of plans, documents, tasks, data and emails, and make all this information available to everyone involved.

Kieran Stanley, Managing Director, dan pearlman experience architecture
